- 1) From the WAVE, click on the *Employee Information* tab
- 2) Scroll to the right to view the *Hoag Store* message box, click on the link
- 3) Enter the password, *HoagPride* (not case sensitive)

This will open an order form where you can view and select your items to purchase.

### What you should know:

- To view apparel, simply roll your 'mouse' over the item description you are interested in and a picture of that item will appear. The cost is shown under the 'unit price' column. Enter the quantity of each item you want and the item total field will populate.
- Payment for items is the sole responsibility of the employee placing the order. Shipping charges will be applied to each purchase. All orders must be shipped directly to your home and are fulfilled by our vendor, Image Apparel for Business; contact information is at the top of the order form.
- Place your order by clicking the "email this order" button at the bottom of the order form.
- Fields marked with \* are required.
