

05.01.13

Dear Hoag Colleagues:

This year, we are sending a touch-point survey to a cross-section of employees at Hoag to gain their valuable feedback on our workplace practices.

On Tuesday, May 7, you will receive an invitation via email to participate in our survey. The information we receive from you will be used to shape new programs and actions to create the best place to work for our employees. Your feedback is extremely important to help create a better workplace for all.

Because this is a touch-point survey, it will not go out to all employees. You have been randomly selected to participate in this survey. Later this summer, we will launch our all employee survey in which full-time and part-time employees will be invited to participate.

The email invitation will include a link, a user name, and a password that will allow you to access the survey. This survey is being conducted by the Great Place to Work Institute, an independent consulting firm that will collect your responses and analyze the results. To protect your anonymity, the Institute will not share any personal information that could be used to identify you. The email will be sent from the following email address: Survey Administrator (survey@greatplacetowork.com). I hope you'll take a moment to respond.

To ensure your voice is heard, please complete the survey by Tuesday, May 21, 2013.

Thanks in advance for helping us build on our strengths and illuminate areas for improvement to make Hoag a truly great place to work.

Sincerely,

Robert Braithwaite
President and Chief Executive Officer
