

Hoag Kicks Off Orange County United Way Campaign

Keeping in line with Hoag's Core Value of Community Benefit, we will once again partner with United Way to kick off our Workplace Giving Campaign. United Way is a community based organization dedicated to improving the lives of Orange County children, families, and individuals by mobilizing the community to meet their most basic human needs - food, shelter and medical care.

Over the past years of our long-standing partnership, United Way has helped homeless, low-income individuals and families seeking support services get access to critical human care, and provide links to vital programs so that our community is healthy and our neighbors are on the path to self-sufficiency.

This year, Hoag is continuing our dollar-to-dollar matching program, to maximize the collective impact of each dollar you spend. Through convenient giving options, such as payroll deduction and electronic pledging, Hoag employees can strengthen our community by giving and living united. Through June 11, Hoag's Community Benefit Program will match each and every pledge dollar-for-dollar, maximizing your gift to have the most impact possible. Even giving \$5 per pay period can help those in need.

With your generosity and contributions, we can make this year's campaign one that truly contributes to a vibrant and thriving community. Let's join together in a united effort to make this the most successful campaign year ever.
