Hoag's 2013 Workplace Giving Campaign

Now through June 11, Hoag promises to maximize the power of your United Way gift by matching each pledge, dollar-for-dollar, so you will have twice the impact on improving the lives of our neighbors in need.

With your help, Orange County United Way works to advance the common good in the areas of Education, Income, and Health—the building blocks for a good quality of life. By giving to the Orange County United Way Community Impact Fund during Hoag's 2013 Workplace Giving Campaign, you are supporting 92 programs—20 Education, 13 Income, and 59 Health programs—that have a long-lasting, positive impact on the lives of local families and individuals. OCUW connects people in need with access to basic resources such as food support, shelter, medical care, and financial stability services.

Connecting an out-of-work individual with job training and financial empowerment, a struggling single parent with food for their family, and the uninsured with critical medical care and a dose of hope – your gift helps our community thrive. Last year, with the help of Hoag, Orange County United Way gave nearly 200,000 people in our community a hand up.

This year, we invite you to restore hope with your actions and make Hoag's 2013 Workplace Giving Campaign the most successful yet.
