

Fact Sheet

Since 1952, Hoag Memorial Hospital Presbyterian has delivered a level of personalized care that is unsurpassed among Orange County's health care providers. Renowned for its excellence, specialized health care services and exceptional physicians and staff, Hoag is admired as one of California's leading hospitals.

The non-profit hospital is guided by an 18-member Board of Directors. Robert Braithwaite serves as president and chief executive officer.

Hoag is one of the largest acute care hospitals in Orange County and one of the county's largest employers, with approximately 5,000 employees and more than 2,000 volunteers. The hospital is located on two main campuses in Newport Beach and Irvine, and operates five urgent care centers and seven health centers throughout the county. Hoag's network of more than 1,500 physicians represents 52 different specialties. Hoag has been named one of the Best Regional Hospitals in the U.S. News and World Report Metro Edition. The organization was ranked nationally for Orthopedics and placed high-ranking in Cancer, Geriatrics, Nephrology, Pulmonary, Gastroenterology, Gynecology, Neurology & Neurosurgery and Urology.

Hoag is fully accredited by DNV, and both Hoag Hospital Newport Beach and Hoag Hospital Irvine are designated Magnet hospitals by the American Nursing Credentialing Center. Hoag offers a comprehensive blend of health care services that include five institutes providing specialized care in the following areas:

- **Hoag Family Cancer Institute** is on the leading edge of cancer treatment and offers patients a full range of advanced cancer therapies, as well as access to new investigational treatments.
- **Hoag Heart and Vascular Institute** is one of the preeminent cardiovascular centers on the West Coast, achieving international and national accreditation for many of its programs. The Society of Thoracic Surgeons placed Hoag in the highest category for quality cardiac surgery, a rating achieved by only 12 percent of hospitals nationwide.
- **Hoag Neurosciences Institute** incorporates the latest diagnostic technologies, treatment modalities and integration of medical specialists to deliver the highest quality care for all complex brain and spine neurological disorders.
- **Hoag Women's Health Institute** is an all-encompassing center that combines progressive technology with patient education, comfort and exceptional care. Hoag's maternal child program provides state-of-the-art mother/baby care as well as a wide selection of prenatal and postpartum support services.
- **Hoag Orthopedic Institute** is poised to be one of the highest volume single site orthopedic inpatient hospitals in the Western United States. The institute focuses primarily on orthopedic reconstructive surgery for adults, including joint replacement, spine surgery, and trauma-related surgery that requires inpatient care.
